

Marine Corps Engineer Master Plan Working Group (MCEMPWG)

- Master Plan Charter Oct. 2004
 - Calls for Master Plan within 360 days
- Two previous working groups May and Dec 2004.
- Rough Draft builds on these working group's products.

MCEMPWG

- Based on template of MCM Master Plan
- Simple document that will guide the EMPWG to implement transformation of Combat Engineers
- Commitment by community to support EMPWG with members that will provide continuity.

MCEMPWG

- The goal of this session of EMPWG is to provide a rough draft that can easily be transformed by LPE into a final draft for signature by Oct 2005.
- Validate work that has been done. Flush out document with original material that requires SME input.

MCEMPWG

- Executive Summary-Format from MCM MP.
Needs to be looked at or assigned to appropriate agency to be written/rewritten.
-Findings and conclusions taken from previous EMPWG AAR.
- Purpose-Taken from EMPWG Charter
- Background-Historical data-from 3-17., Current situation-original paragraph.
- Road Ahead taken from previous EMPWG product.

MCEMPWG

- Vision-taken from pre-charter brief to MROC.
- Goals-Original document
- Concept of Operations-Format from MCM MP.
- Conclusions-Format from MCM MP.
- Origin of sections given to provide sub-WG-2 history IOT save time. Will provide any documents requested. Available to elaborate on thought process that went into writing of rough.

MCEMPWG

- Appendix A-copy of the charter. No action required.
- Appendix B-Engineer Goals, Objectives and Tasks. Sub-WG-3. Validate 15 Goals and create objectives and tasks.
- Appendix C-Prioritized MAGTF Engineer Capabilities. EMPWG product. Validate.

MCEMPWG

- Appendix D-Current MAGTF Engineer Deficiencies-EMPWG product-Validate. (Also mirrors MAA from 1995).
- Appendix E-Engineer Requirements Documentation. Provided by LPE for insert.
- Appendix F-Engineer POM initiatives. Provided by LPE for insert.

MCEMPWG

- Appendix G-Engineer Capability Assessment-Validate need for this appendix as it seems to be redundant.
- Appendix H-Engineer POM 08-from LPE for insert.
- Appendix J-Report Format-taken from MCM MP. Format for reporting EMPWG progress to MROC. Validate

MCEMPWG

- Appendix K-Validate list provided by MCCDC Doctrine. Recommend format (as is or reformat).
- Appendix L-Engineer Mission Statements-Sub-WG 1. Create and present for validation.
- Glossary-validate and add any info deemed necessary.

MCEMPWG

- Working Group 1-Mission Statements (Appendices F, G, and L)
